Slow learners

Remedial Coaching:

Based on the teaching done by the teachers in class and the studies done by them, they are well preparing for the test, tutorial exam, first/ second semester and annual examination.

The subject teachers analyse the marks or results obtained by the students in the examination. Students who fail and get low marks are selected as slow learner students in that subject and taking efforts to increase knowledge and raise the level of understanding by conducting Remedial classes for slow learner students.

REMEDIAL COACHING

Remedial coaching is offered to slow learners in F.Y, S.Y. & T.Y.B.A. Students through personal as well as group counselling. Every teacher associated with that Course / Subject, actively participating in the programme.

At Graduate level slow learners needs the personal counselling. All teachers associated with respective Course / Subject, actively participating in the programme.

Slow learners.

- Those students, who have obtained less than 45% marks in the exam, are categorized as weak learner. For these students we prepare Remedial Class and implement them in the class room. For that purpose, we organize special extra lecture of three hour in a week.
- In which we take help of different techniques, methods and instruments like, ppt. slides, maps, diagrams, wallpapers, etc.
- We teach topics to the students which are interested them and also give homework to them for practice.
- With the help of easy diagram, ppt and models we try to explain difficult topics in simple language.
